SMALL GROUPS. BIG EXPERIENCES ... WORLDWIDE!
***Globus and Cosmos Expand “Small-Group Discovery” Option On
Europe & North America Tours for 2021***

TORONTO, Ontario – November 10, 2020 – When we explore the world, we share experiences with wayfarers from across the globe. When travellers choose Globus or Cosmos, they’re choosing to travel the globe with a small group of like-minded travellers: People who stick together from start-to-finish. Now more than ever, there’s great comfort – and extraordinary confidence – in that choice.

And, in 2021, **Globus** and **Cosmos** are making their group experiences even smaller with **SMALL-GROUP DISCOVERY** tours available – for the first time – on all itineraries* in **North America and Europe**. Both touring brands also offer Small-Group Discoveries on all departures through **Central & South America, Asia, Africa** and select departures in the **South Pacific**.

“In 2021, Small-Group Discovery vacations in Europe and North America are available on every tour. With an average of just 24 guests, these special departures promise travellers extra space while enjoying fascinating sites across the globe,” said Stéphanie Bishop, managing director for the Globus family of brands. “Whether hiking the terraces of Machu Picchu, on safari through South Africa, roaming the ruins in Rome or enjoying the great outdoors here, in Canada, travellers will be in good company, thanks to our Small-Group Discoveries.”
